ABOUT HSM HYDRO CONTROL

HSM Hydro Control Pvt. Ltd. is a single-window solution for all your hydraulics requirements, providing specialized hydraulic engineering, sales, and service support to organizations all over India.

- Incorporated in 2015.
- Manufacturing unit located at Peenya.
- Branch office at Pune.
- ISO 9001:2015 Certified Company.
- Trusted by Big OEM's in India.
- Customers throughout India & Overseas

## PRODUCTS & SERVICES

### HYDRAULIC COMPONENTS & ACCESSORIES

We Supply all the hydraulic components like Fittings, O-rings, Level Gauge, Breather, Bell Housing, Coupling, Filter, Flexible hose & Valves, etc.,

- |                               |  |
|-------------------------------|--|
| Indicators                    | Pressure Gauges & Transmitter          |
| FB-1 & FT Series              | Fittings, Hose & Ball Valve            |
| FDD040 Series                 | Accumulators                           |
| FS-1 series & Water Absorbent | Shell & tube and Plate type oil cooler |
| FD-1 & FD-2 Series            | Process Filters                        |
| FA-1 series & FA-2 series     | Manifold Assembly & Connecting Plates  |

### Hydraulic Valve

- Directional Control valves
- Pressure Control Valves
- Flow Control Valves
- Logic Elements Valves
- Proportional and Servo Valves

### Hydraulic Pump

- Axial piston Pump
- Vane Pump
- Gear Pump
- Radial Piston Pump

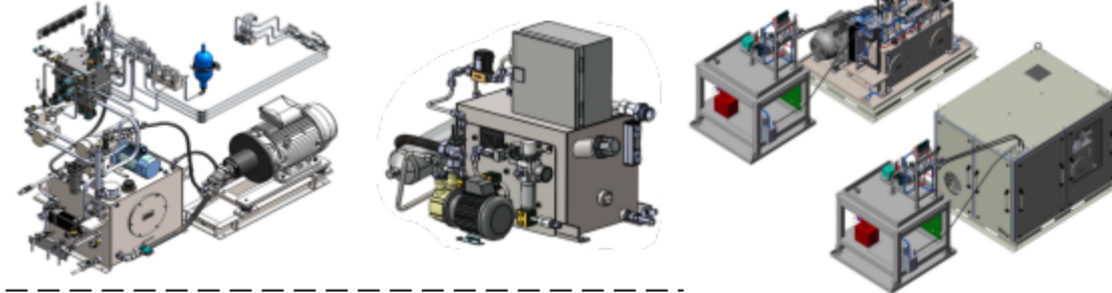

## COMPLETE HYDRAULIC SYSTEM

- Application and system know-how
- Pre-engineering
- Design of hydraulic system and cylinder
- Installation & Commissioning
- Maintenance & Spare agreement

### HYDRAULIC SYSTEMS (HPU/LUBE OIL/FILTRATION)

Hydraulic power packs represent complete hydraulic power units, lube oil systems, and filtration systems used in both industrial and mobile applications.

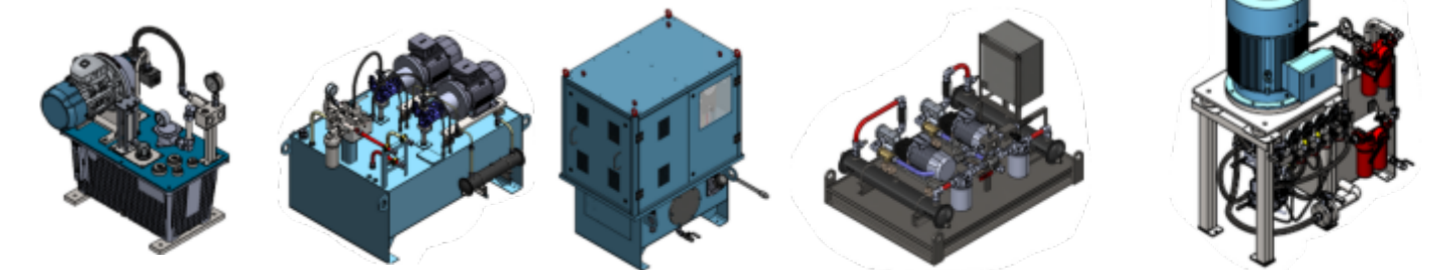

#### Hydraulic Test Bench

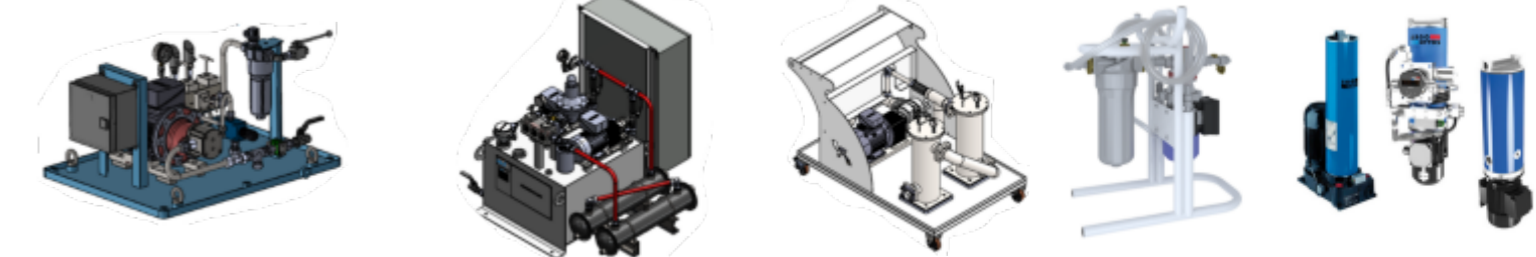

#### SPECIFICATION DETAILS

- Tank 20 - 5000 LITERS
- Power 0.55 - 250 KW
- Flow rate 0.5 - 750 LPM
- Pressure 05 - 800 BAR
- Material MS & SS
- Filter 10-20 MICRONS

#### Hydraulic Power unit / Power Pack

#### Lube oil and Filtration System

### HYDRAULIC STANDARD & SERVO CYLINDER

- Servo Cylinder
- Tie Rod Type
- Cylinder Spares
- Welded Construction & Mill Type
